AFFIDAVIT OF POSTAL INSPECTOR PAUL K. DURAND

I, Paul K. Durand, having been sworn hereby depose and state as follows:

1. I am a United States Postal Inspector and have been so employed for 18 years. My investigative experience includes, but is not limited to: drug interdiction; child pornography, and internal postal employee investigations. I have previously been stationed in Detroit, Michigan and Indianapolis, Indiana. Since October 1999, I have been assigned to the Boston Field Office to investigate various types of financial crimes, including check and bank fraud, credit card fraud, and identity theft. I have attended numerous check and credit card fraud working group meetings. I have also received training in this area sponsored by the International Association of Financial Crimes Investigators. I have made numerous arrests and executed several search warrants in this field.

2. I know that Title 18, United States Code, Section 1344 makes it a crime to defraud or attempt to defraud a federally insured financial institution.

3. This affidavit is submitted in support of a complaint charging DWAYNE THOMAS, (DOB: 7/15/1959) ("THOMAS") with Bank Fraud in violation of Title 18, United States Code, Section 1344.

4. The facts stated in this affidavit are based upon my personal knowledge, as well as upon conversations I have had with other law enforcement officers and other individuals involved in this investigation. Since this affidavit is made for the limited purpose of supporting a complaint, I have not set forth each and every fact learned during the course of this investigation. Rather, I have set forth only those facts that I believe are necessary to establish probable cause for the offense charged in this complaint.

5. During much of 2004, other law enforcement officers and I were involved in the investigation of a bank fraud scheme in which there is probable cause to believe THOMAS was a participant. The scheme involved the "takeover" of legitimate bank accounts at Citizens Bank. THOMAS and other individuals used counterfeit identification cards, such as driver's licenses, to pose as the true account holders and made withdrawals on these accounts.

6. At all relevant times to this investigation, the deposits of Citizens Bank and were insured by the Federal Deposit Insurance Corporation.

7. On July 7, 2004, THOMAS posed as a person with the initials DG. DG is a true person, a resident of Charlestown, Massachusetts and a Citizens Bank account holder. At approximately 13:14 at the Citizens Bank located at 1628 Tremont St, Boston, THOMAS withdrew \$19,000 from DG's account. Specifically, he transferred \$10,000 into the account of a person with the initials LC and withdrew \$9,000 in cash.

8. I have review bank surveillance photos from this incident, along with photocopies of a Visa card in DG's name and of the counterfeit Massachusetts driver's license bearing DG's personal information data, both of which THOMAS presented to facilitate the withdrawal and both of which were retained by bank personnel. The bank surveillance photographs and the driver's license both clear show THOMAS as the perpetrator of this fraud.

9. On July 16, 2004, at 14:24 at the Citizens Bank branch located at 731 Morrissey Boulevard in Dorchester, Massachusetts, THOMAS was capture on bank surveillance videotape withdrawing \$4,000 from the DG account.

10. On August 20, 2004, I spoke with THOMAS and he told me that he had posed as DG and withdrawn money from DG's account on at least one occasion.

11. Based on the above, I submit there is probable cause to believe that beginning from July 7, 2004 through July 16, 2004, DWAYNE THOMAS did execute and attempt to execute a scheme to defraud a financial institution, and to obtain moneys owned by and under custody and control of such financial institution by means of false and fraudulent pretenses, representations, and promises in violation of Title 18, United States Code, Section 1344.

Paul K. Durand
Postal Inspector
